**Let us join hands to ensure a conducive learning environment enabling all children to achieve foundational skills. We pledge to make the school a place of joyful and experiential learning where children can use their language freely, ask questions freely, play freely, and where every child is respected. Let us make the school as well as the home, a place for developing lifelong skills for reading with comprehension, writing with purpose and understanding numeracy, in every child that they can apply in their everyday life situations. Let us strive to make education meaningful and joyful for each child of our country and make every child NIPUN.**
