CIRCULAR

Sub: SS- Introduction of "Learning with Vodafone" a Digital Education Initiative - communication - Reg.

Learning with Vodafone, is a Digital education initiative, being implemented by Pratham Education Foundation funded by Vodafone India Foundation and Indus Tower Ltd. The Programme is an innovative student - centric technological intervention which is currently working in 1,020 schools across 8 States in India. The aim of the programme is to enhance the learning levels of students in Maths and Science in 170 Govt. Schools having classes VI to VIII in the UT of Puducherry by use of technology and group learning pedagogies in classroom.

In this regard, MoU has been signed between the State Project Office, Samagra Shiksha and Pratham Education Foundation for implementation of the programme during the academic year 2018-19. Accordingly induction training has been conducted to 40 Masters Trainers across UT of Puducherry.

The Heads of institutions are requested to nominate the teachers who are handling Mathematics and Science for classes 6th to 8th for this programme in the Proforma given in the Annexure-II. The soft copy of annexure-II may be sent to the mail at 'lww.ssapondy@gmail.com' and the hard copy of the same may be submitted to the respective Block Resource Center (BRC) on or before 21.08.2018. It is communicated that phone call may be received by the Head of School from Pratham Education Foundation regarding the Introduction of the programme. The details regarding the phone call support is given in the Annexure-I

The Details of Phone call support

The on-phone support to teachers by Pratham Education Foundation teacher coaches is an important service being offered by the Learning with Vodafone Program. Before the program begins, a one-time introductory call will be made to the Principals/ Headmasters of all the schools that are part of the program. The objective of this phone call support will be.

- Introduce the Learning with Vodafone Program to the Head-Teacher/Principal
- Briefly describe the features being offered by the program to the school including digital content, online courses, Online Digital library and on-phone support- all of which will be provided free of cost.

Once the program begins, two teachers (one Maths and one Science) from each school will receive on-phone support by Pratham Education Foundation teacher coaches during the academic year. Each teacher will be allocated a specific teacher coach who will provide support. The objective of this support will be.

- Using the Learning with Vodafone digital content application in the class
- Lesson planning and using content effectively in the class
- Innovative teaching methods and pedagogy
- Using the online teacher portal
- Completing free online courses on the portal in accordance with the Teacher Development Plan
- Technical issues related to installation and usage of the application and navigating the online portal
