Puducherry, dated 19th June, 2018

NOTE

Sub: SSA – Implementation of Learning Outcomes at Elementary Stage – Preparation of Lesson Plans and conduct of workshop for Resource Persons for In-service Training of TGTs & PSTs for the academic year 2018-19 – Reg.

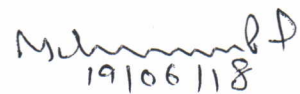

As you are aware NCERT under the aegis of MHRD has conducted the 'National Achievement Survey-2017' on November 13th, 2017 for the classes III, V and VIII based on Learning Outcomes. During the Post NAS Interventions, it has been suggested that "For all the District level trainings regulated by SCERT the 'mantra' should be Learning Outcomes – that is, all training must revolve around it. The SCERTs may prepare their detailed lesson plans for each training modules incorporating the aspects of Learning Outcomes".

2. Hence all the training programmes regulated by State Training Centre (STC), Puducherry and District Institute of Education and Training (DIET), Lawspet, Puducherry must focus on "Learning Outcomes" as 'mantra' i.e., all training must revolve around it and the lesson plans may be prepared for each training modules incorporating the aspects of Learning Outcomes.

3. As directed by Director of School Education, the Workshop for Resource Persons for the subjects Mathematics and English for all classes and In-service training for TGTs & PSTs in Mathematics and English (Capacity building and Competency in Handling the subject) may be imparted at the earliest i.e. during June & July 2018 without waiting for the final minutes of the PAB of Samagra Shiksha for the year 2018-19.

4. Therefore, in view of the above, the Officer on Special Duty, STC and the Principal, DIET are requested to incorporate the Learning Outcomes as a part of training schedule during the academic year 2018-19 for Teachers working in the schools of the UT of Puducherry.
