Sub: SSA – Implementation of guidelines on Cyber Safety  
and Security – Reg.

\*\*\*\*\*

Internet has considered itself as a greatest platform and technology in this century and become an integral part of our daily lives. At this juncture the need of the hour is Cyber safety. Cyber safety is the safe and responsible use of information and communication technology. Hence, it is imperative to educate the stakeholders the safe and responsible use of information and communication technology.

2. In pursuance of the safe and responsible use of information and communication technology, CIET, NCERT, New Delhi has shared the guidelines on Cyber Safety and Security for dissemination and implementation among the stakeholders. The guidelines include tips to keep safe online, cyber safety rules as Do's and Don'ts for the stakeholders. **The guidelines shall be uploaded in the website of DSE for ready reference and use.**

3. In this regard the Heads of Schools are requested to disseminate the guidelines on cyber safety and security among teachers and students.
