CIRCULAR

Sub: Mass Viewing of Annular Solar Eclipse on 26th December 2019

Ref: Letter dated 4th December 2019, by Navnirmithi Eduquality Foundation and the brochure related to Solar Eclipse.

on the morning of 26th December 2019 an Annular Solar Eclipse (ASE) will traverse India, especially in the southern region. It will be partial solar eclipse all over India. A solar Eclipse is a wonderful occasion for promoting science, scientific temper among the children to understand Nature and its phenomenon. This can be done with simple hands-on experience with Solar Filters. With is in mind the event will be celebrated in Schools all over India with mass viewing and observing the eclipse on 26th December 2019 by Navnirmithi Eduquality Foundation.

In this connection, the interested Schools will approach the above said NGO for facilitation and coordination for Mass Viewing of Solar Eclipse on 26th December 2019. The related information can be referred from the brochure attached overleaf.

Solar Eclipse

Dear Sir /Madam,

On the morning of 26th December 2019 an annular solar eclipse (ASE) will traverse India in the south. It will be observed as a partial solar eclipse all over India. A solar eclipse is a wonderful occasion for promoting science, scientific temper and enjoying hands on experiments.

With this in mind the event will be celebrated in schools all over India with mass viewing and observing of the eclipse. Public Outreach and Education Committee of Astronomical Society of India, Vigyan Prasar, All India Peoples' science Network, Homi Bhabha Centre for Science Education, Navnirmity Eduquality Foundation and many organizations working for science education and popularization have initiated the Scientific Temper through Solar Eclipse – **SURYOTSAV** campaign. Thousands of schools have already agreed to participate, and preparations are going on in full swing.

We would like to share the proposal for Solar Filter goggles
MRP of Solar Filter is Rs. 15/-

- 1) Discounted rate for 100 to 1000 solar filter is Rs. 10/-
- 2) Discounted rate for 1000 to 5000 solar filter is Rs. 8 /-
- 3) Discounted rate more than above 5000 solar filter is Rs. 7.50/-
