

No.73/DSE/STC/ICT/2022

Puducherry, dt.19.07.2022

CIRCULAR

Sub: DSE – STC – IEC materials mapped for Class 5 textbook - Reg.

In the age of internet, we have enormous number of ICT materials. It makes difficult for the teacher to identify appropriate ICT material for the particular lesson. Browsing for appropriate ICT content consumes much of their time and sometimes they may not find the needy one. In order to reduce their wastage of time in browsing, mapping of textbook content with IEC materials was done by team of teachers.

The mapping was designed in such a way that it contains two component pedagogy and assessment. PowerPoint and videos shall be used during classroom interaction; worksheet, interactive games and Google Form during assessment. The links may also be shared in class whatsapp groups such that students will have self-learning and self-assessment.

The mapped link of IEC materials for Class V textbooks Tamil, English, Maths and EVS are available in Directorate website and also in STC BlogSpot. Teachers are requested to make use of it during their classroom transaction.

IEC - Mapped Content for Class 5 NCERT Textbook

Class V - Tamil (IEC - Mapped Content)
